

## There is / There are Van/ Vannak

Complete this worksheet and email it back to Super Agent 123.  
(Egészítsd ki ezt a munkalapot, és küld el email-ben 123 Titkos ügynöknek!)

We use **there is** and **there are** to talk about things in a place.  
(Akkor használjuk a "There is" és a "There are" kifejezéseket,  
amikor a dolgok elhelyezkedéséről akarunk beszélni.)

	Singular	Plural
positive sentence (állító mondat)	There <b>is a</b> refrigerator in the Kitchen.	There <b>are</b> chairs in the dining room
negative sentence (tagadó mondat)	There <b>isn't a</b> bath in the bedroom	There <b>aren't any</b> mirrors in the kitchen.

**Fill in the blanks in these sentences with is, are (x2), isn't, aren't, a and any:**  
(Írd be a mondatokba, a hiányzó részek helyére az "is", "are", "isn't", "aren't", "a" és "any" kifejezéseket)

- 1) There are five doors in the house.
- 2) There is a window.
- 3) There aren't any books on the table.
- 4) There are bus stations near here.
- 5) There aren't any tables in the hall.
- 6) There is a desk in the living room.
- 7.) There isn't a hotel on this street but there is one on the next street.

What is your picture? Write five sentences using **there is / there are** about your picture!  
(Milyen a képed? Írj öt mondatot a képedről, melyekben használod a "there is" és a "there are" kifejezéseket!)
