

Analyse The Map

(Térképvizsgálat)

Hi Agents! Look at the map (<https://www.box.com/s/b4fa0f66df55352b8aec>) and write down where each chili pepper was found, including the name of the city and the country. Once you have finished, the letters highlighted in yellow, when unscrambled, will spell out the name of the next city. You need to look at the map at the same time as unscrambling the letters to work out which city it could be.

(Üdv Ügynökök! Nézzétek meg a térképet és írjátok le a város és az ország nevét, ahol megtalálták chili paprikákat. Miután befejezted, a sárgával kiemelt betűk, ha megfejtetted, a következő város nevét adják ki. Meg kell nézned a térképet, amikor megfejtetted a betűket, hogy rájössz, melyik város lehet az.)
