

Phone Message Transcript

(A telefonüzenet átirata)

Agents, here is a transcript of the message from the supermarket cashier who thinks she may have important information about our case. You need to listen to the conversation and fill in the missing gaps. When you have filled in the missing words, the sequence of letters highlighted in red will spell out the name of the next city to visit. Get to work....

(Ügynökök! Itt van a bevásárlóközpont pénztárosától származó üzenet másolata, aki úgy gondolja, hogy talán fontos információja van az ügyünkről. Meg kell hallgatnotok a beszélgetést, és ki kell töltenetek a hiányzó részeket. Ha beírtátok a hiányzó szavakat, a vörössel kiemelt betűk megadják annak a városnak a nevét, melyet legközelebb meglátogatunk. Láss hozzá a munkához!...)

Danielle:

Hello agents. I am calling you from the s_upe_r_mar_k_e_t_ where I work as a cashier. There is a woman here buying _c_h_i_l_i_ peppers....*Hungarian* Chili _P_e_p_p_er_s_. I saw in the news that secret agents were working on a case involving the very same chili peppers, so I thought I would give you a tip. This woman has been to the supermarket every day this week, and every day she buys the exact same chili peppers. Yesterday, I saw her on the bus as I was on my way to visit the Louvre _m_u_s_e_u_m_. I saw her get off at the Eiffel Tower _b_u_s_ _s_t_a_tio_n_ by the _p_a_r_k_. I think she might be staying at one of the _h_o_t_e_l_s there. I hope this helps you with your case, agents. Good luck!
